

Forum Agenda

17 January 2024

Morning Session

09:00 – 10:00

Registration & Networking

10:00 – 10:30

Opening Speeches Ceremony

- The Libyan Post Telecommunications & Information Technology Company (LPTIC)
- Digital Technologies Business Council | Deik
- Libya Tech Forum 2024 | Admin

10:30 *LTF 2024 Forum & Fair opening | Family Photo*

11:00 – 11:30

Coffee Break & Networking

Project Presentations

11:30 – 11:50

LPTIC (LPTIC Vision in Cyber security)

11:50 – 12:10

Infoblox
(Why Security Professionals should care about DNS)

12:10 – 12:30

HASHI CO. (New Technology for Libya)

12:30 – 13:30

Networking

13:30

Buffet Lunch

**LIBYA TECH
FORUM 2024**
CYBER SECURITY

17 January 2024

Afternoon Session

Panel 1 : Next-Gen Vulnerability Assessment for Telecoms

14:30 – 15:00

Addressing the integration of cutting-edge tools and evolving technologies in assessing and fortifying telecommunications networks against a backdrop of rapidly advancing cyber threats

- Advanced Vulnerability Scanning Tools & Techniques
- 4G & 5G Networks and Emerging Threats
- Web & Application Security assessment
- AI and the Evolving Cyber Threat Landscape

Panel 2 : Fortifying the Digital Frontier by enhancing Data & Infrastructure Security

15:00 – 15:30

Exploring the integration of advanced security measures and strategic planning to safeguard critical digital infrastructures and data against emerging and complex cyber challenges

- Securing Cloud Security and Infrastructure
- Incident Response and Disaster Recovery Planning
- Network Security and Resilience - Securing IoT and Edge Devices

Panel 3 : (SOC) – Architecting the Future of Cyber Defense Operations

15:30 – 16:00

Focusing on revolutionizing Security Operation Center (SOC) frameworks by integrating innovative technologies and strategies to enhance real-time cyber threat detection and response capabilities

- SOC as a cloud cyber watchtower
- The Role of AI in SOC Operations
- SOC Roadmap Development
- SOC Team Formation

Project Presentations

16:30 – 16:50

Albaraka Insurance (Cyber Risk Insurance)

16:50 – 17:10

Paloalto networks
(Navigating Cyber Security Headwinds for Telcos)

17:10 – 17:30

CY4 Gate Co.
(SOC Evolution into National Security Centre
- Cy4Gate European experience)

17:30

Coffee Break & Networking

20:00

Gala Dinner

Forum Agenda

18 January 2024

Morning Session

Panel 4: Navigating (IAM) Landscape to cultivate digital trust

10:00 – 10:30

Examining the Identity and Access Management (IAM) between the intricate balance between technological innovation, regulatory compliance, risk management, and user experience in shaping effective Identity and Access Management strategies

- Key Technologies in IAM
- IAM and Data Privacy
- Regulatory Compliance and Legal Aspects
- Risk Management and IAM - User Experience and IAM

10:30 – 11:00

Coffee Break & Networking

Panel 5 : Cybersecurity as a CSR activity

11:00 – 11:30

Analyzing the influential role of cybersecurity practices in fostering responsible corporate behaviors and aligning with societal values highlighting a key truth: achieving advanced cybersecurity standards is a vital right for societies worldwide.

- The Role of Cybersecurity in Corporate Responsibility
- Integrating Cybersecurity with Corporate Social Responsibility
- Privacy policy, Social engineering and other concerns

Project Presentations

12:00 – 12:20

Data Protect Co.
(The Next Generation Cyber SOC)

12:20 – 12:40

Altamiuz
(Information Security Governance: Elevating Technology ROI and Investor Trust in Telecom & Banking)

12:40 – 13:00

Fortinet
(Team Lead Systems Engineering- Channel, Fortinet)

13:00 – 13:20

Enjaz Tech
(Best practices for building security awareness program)

14:00

Buffet Lunch

18 January 2024

Afternoon Session

15:30 *Closing Ceremony*

16:30 *Award Ceremony*

17:00 *VIP Business Meetings* (invited institutions only)
